- On race day (**March 15, 2026**), all participants should report to the holding area- **Gaur City Mall, Greater Noida West**, as per the reporting time of their respective race categories. **Participants are advised not to arrive earlier than their reporting time.**
- 'No Helmet No Ride Policy'** – No participant will be allowed to participate in the ride/race at the event without a helmet.
- Details of bike and car parking, along with the rental cycle distribution areas, will be shared with participants via their registered email ID.
- Participants will not be allowed to enter the event area or participate in the race without their **Racing BIB** and **Cycling Sticker**. These must be collected from the **BIB EXPO** on **March 13-14, 2026** from the Expo locations. The kit collection location cannot be changed.
- Each participant should correctly place their **Racing BIB, Cycle Sticker, Thigh Sticker** and **Helmet Sticker**. The wrong placement of these may result in no recording of their timing and loss of photographs from the event.
- The winners in the Amateur category will be selected on the basis of **Finish Time** (whichever cyclist reaches the finish line first in their respective race or age category) and **NOT** the net time.
- Each Amateur race category will have a **2 km (approximately) Neutral Zone** after the start point. This is a controlled riding zone with a maximum allowed **speed of 15km/hr**. This distance is not part of the race distance.

- All Cyclists must remain behind the bike marshal until the **Neutral Zone ends**. Cyclists not adhering to this rule will be penalised. The penalties are at the discretion of the commissaires (race officials) and can include Relegation, disqualification, or a time penalty.
- The start point must be crossed within 10 minutes of the flag-off time for all races.
- Each participant has to complete the race within the below cut-off times:
  - Amateur Road Race 55 KM:** 2 hours 20 minutes
  - Amateur Road Race 23 KM:** 1 hour 15 minutes
  - Amateur MTB Road Race 23 KM:** 1 hour 30 minutes
- Participants are recommended to have a backlight and reflectors on their cycle.
- Any cyclist cycling after the road closure time must ride keeping safety in mind.
- Electric bicycles are not allowed in the timed race categories. Participants will be disqualified if found using one. However, participants can use electric bicycles in the green ride category.
- The race route will be blocked/diverted for vehicular movement from **05:00 AM to 10:00 AM** on the race day.
- Finisher medals and post-race refreshments will be distributed at the event venue after the race.
- CFI license holders between the age 16 to 40 years are not allowed to participate in any Amateur Race Category if they have raced in any national/state race in the last 3-year time frame.
- Medical partners shall provide services to participants only until the completion of the event. For any medical care required by the participant after the event and for which admission into any in-patient department (IPD) is required, the participant shall be admitted to the nearest hospital, and the participant (or their relative) shall follow the policies of that hospital for admission and billing. In case the participant is admitted to a hospital, they shall be charged for the medical services availed there as per the prevailing policy of that hospital and the participant shall bear those costs.
